IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF ARIZONA

Don Addington, et. al.,

Plaintiffs,

vs.

US Airline Pilots Association, et. al.,

Defendants.

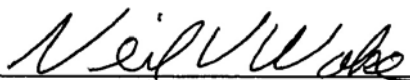

No. CV08-1633-PHX-NVW

ORDER

The Court has considered Plaintiff's Motion for Preliminary Injunction [doc. 12] but it does not state the facts and circumstances from which urgency of a need for preliminary injunction can be determined. Such information is necessary for the Court to determine the time within which the Motion should be heard and decided.

IT IS THEREFORE ORDERED that Plaintiffs file a supplement to their Motion for Preliminary Injunction giving the facts and circumstances from which the Court can determine the time within which the Motion should be heard and decided.

DATED this 22nd day of September, 2008.

Neil V. Wake
United States District Judge
