Marty,

Thank you for your prompt response.

No, I cannot agree to the conditions you propose, including any rights to object to discovery demands.

No. I offered that a month ago as part of my proposal and you said no deal. But if you agree to produce next Wednesday as I asked and the material is in useful form, I will tell you how much Leonidas has spent on supporting the West Merger

Committee since the end of 2013. I continue to believe that this information is totally irrelevant, but am willing to do this anyway without waiving my objection.

Please make sure you include my position on this issue with anything you file with the court.

Marty,

We will file our response to your motion and a motion for reconsideration later today.

Please advise at your earliest whether plaintiffs will consent to limited discovery on an expedited basis, less than ten interrogatories and demands principally relating to funding sources and expenditures by the West Pilots Merger Committee.

Thank you.
