Re: US Airline Pilots Association v. Velez, et al.  
Case No. 3:14-CV-577-RJC-DCK

Dear Mr. Riolo:

We are Class Counsel for the East Pilot Settlement Class. We acknowledge receipt of your letter dated July 1, 2016, which you submitted to USAPA Global Settlement Responses pursuant to the Notice of Settlement Agreement and Fairness Hearing (the "Notice").

The purpose of this letter is to respond to your Objection 1, which states that you did not receive the mailing of the Notice. We have reviewed the data that was used to create the mailing list for the mailing of the Notice. The data was supplied by US Airways prior to USAPA's decertification, and indicates that your status is retired. Accordingly, it was determined that you were not eligible to be a member of the class, and therefore not eligible to receive the Notice.

We note that your objections reflect that you have already reviewed the Notice and have submitted your objections pursuant to the procedure therein. However, out of an abundance of caution, based on your statement that you believe yourself to be "a class member as described in the Agreement, Terms of Proposed Settlement Agreement Number 1, Page 4," and in the event that the Company-supplied data was inaccurate, we are enclosing a duplicate copy of the Notice and its attachments.

Sincerely

Stanley J. Silverstone
