Gary and John, we need to a stipulation to the Court by next Tuesday, assuming that we can agree upon some things. Attached is my effort to put together something for us to discuss. Perhaps we can talk about it tomorrow. Let me know.

The Court also told us to submit a pleading on items we thought would move the cases along but we could not reach agreement on. If we cannot reach agreement on some or all of the items in the attachment, then we reserve the right to include them in a separate pleading. Likewise, I did not include our point that USAPA should be precluded from spending USAPA funds to either undue or block the implementation of the recent 9th Circuit opinion. We will include that point in our separate pleading.

Talk to you tomorrow.
